ALEXANDRIA ALARMED
OVER SPY OPERATIONS

Authorities Will Place Guards on the River Front.

Alexandria, Va., April 8.—The actions of a stranger on the river front this morning, who it is reported was making sketches of the plant or the Alexandria County Lighting Company, Incorporated, at the foot of Wolfe street, caused considerable apprehension among citizens.

A report of the occurrence was made to the police and they are investigating the matter. It is thought that action will be taken shortly by the city authorities to guard the city plant, also located on the river front.

Eight persons in an automobile driven by Wayne Lynn, of Indian Head, Md., all of whom were of that place, were shaken up when the machine collided with a tree 300 yards north of North Broad Street, Alexandria County, on Mount Vernon avenue. The driver, attempted to get out of the vehicle, and a northbound machine. The automobile went down a four-foot embankment and was wrecked. Mr. Lynn was cut about the face and badly injured.

Others in the machine cut and bruised included Mrs. Marie Spittle, Miss Marion Shriner, Miss Anna Shriner and Miss Thelma Spivey.

Large congregations today attended the Easter services in the various churches and elaborate musical programs were given. The theme of practically all of the pastors was "The Resurrection."

Owing to the threatening weather, Alexandria's usual afternoon Easter parade practically amounted to nothing, there being few out to display their finery. Winter wraps were in order.

The funeral of John L. Smith was held at 3 o'clock this afternoon from his late home, 220 North Royal street. Services were conducted by Rev. E. C. Church. Burial was made in Bethel Cemetery.

Funeral services for Clarence E. Crown were held this afternoon at his late home, 100 North Payne street. Rev. E. C. Church, rector of Grace P. E. Church officiating.

The quarterly term of the Corporation Court, Judge L. S. Barley presiding, will convene at 11 o'clock tomorrow morning. The cases will be called and a number of civil cases set for trial.

Many out-of-town students from various schools and colleges are here spending the Easter holidays with their parents.

Mrs. Alexandra K. Anderson, wife of the British Minister to Guatemala, will give a talk on Latin America at 4 o'clock tomorrow afternoon before the South American Mission Study class of St. Paul's P. E. Church.

SEARCHING RADIO STATIONS.

Local Police Will Today Dismantle Ninety-two Outfits.

Armed with papers giving the location of ninety-two wireless stations in the District not under control of the Navy Department, patrolmen, acting under direction of Maj. Pullman, superintendent of police, today hope to effect complete dismantlement of the stations.

Maj. Pullman is co-operating with the Federal authorities in every detail to wipe this end of dismantling all illegal wireless outfits.

A great deal of significance was last night attached by Secret Service men to the discovery of a powerful radio apparatus found on the roof of the Fifth Avenue home of Mrs. Hugo Reisinger, daughter of the late Adolphus Busch.

LODGE CONTRACT AWARDED.

The contract for the \$200,000 lodge building to house the District Old Fellows, was awarded and work on the seven-story structure which will replace the present lodge building on Seventh, between D and E streets will be started some time in July.

The contract has been awarded to the architect, W. S. Player, who is building. Work of raising the basement and first five floors already have been leased for 10 years by the lodge, for use as a furniture store. The lodge rooms on the sixth and seventh floors will be separated from the remainder of the building by a separate alleyway.
